School Mission: The mission of Denver Justice is to provide a college preparatory education for all enrolled students. Denver Justice targets students who are chronically truant, who have been unsuccessful in the traditional school setting, or who have been involved in the criminal justice system. Denver Justice is a place where "at-risk" youth can be successful "youth of promise" by being given high standards, as opportunities, and an environment which cultivates growth and learning. Central to these objectives is a focus on the individual student empowering all students to see the importance in the educational process. The school will utilize high academic standards, tutoring and Denver Justice teachers will create a diverse learning atmosphere which encourages acceptance and compassion for all human beings.
